From Our Correspondents

KIRKCALDY

A. J. Maisey attended the Alberta School Trustees convention in Calgary last week.

Mrs. P. Patterson of Champion has been a guest for the past week at the home of Mr. and Mrs. A. J. Maisey.

Mr. G. Urquhart recently returned home from the Col. Becher hospital, where he has been a patient for several weeks.

The next meeting of the Kirkcaldy Women's Institute will be held at the home of Mrs. W. Hilz in Vulcan on Nov. 28th.

Wayne Anderson and W. Brinton spent several days last week hunting in the Bassano district.

Mr. S. Bernard and daughter, Margaret, were Calgary visitors last week.

Friends of Miss Mildred Ware will be interested to know that she is progressing favorably after a recent operation in the Vulcan hospital.

Doug Wilson was a recent business visitor at Estevan, Sask.

Mrs. R. Middleton was a weekend visitor in Calgary.

Owing to the severe weather and bad roads there was no school on Monday.

Mrs. D. McAfee of Vulcan spent Friday at the home of Mrs. A. J. Maisey.

Mrs. M. Carnegie was a Calgary visitor for a few days last week.

EASTWAY

Mr. and Mrs. W. Fleming are receiving congratulations upon the birth of a son, Nov. 16, in the Vulcan hospital.

Mr. and Mrs. Stanley Kane and daughters from Acme and Mrs. Myhre from Swallowwell spent the week-end at the home of Mrs. M. Johnston.

Mr. F. Daldwin journeyed to Calgary on Tuesday, from where he will leave by plane for Vancouver for a short holiday.

Mr. and Mrs. R. D. McKenzie of Carleton Place spent the week-end with relatives in the district.

On Nov. 15 the chicken supper sponsored by the ladies of the Eastway Social Club once again proved a success, with a bigger crowd than ever before attending. There was a fine display of sewing and fancy work for sale and a butterfly comforter made by members of the club was auctioned off to the highest bidder. In spite of several other dances nearby the school remained packed for the rest of the evening. Music was supplied by the Smoky Rings orchestra of Milo.

Mr. Melbourne Marshall and Miss Vina Moscow of Calgary spent several days last week at the home of Melbourne's parents in the district.

Mr. and Mrs. Doug McWilliams of Lundbreck were house guests of Mr. and Mrs. Dave Lewis for several days last week.

BERRYWATER

The regular meeting of the Berrywater U.F.W.A. was held Saturday, November 16th, at the home of Mrs. H. C. Douglass. The meeting had been postponed from the regular date of November 13th owing to many members being occupied with harvest operations.

Saturday proved a poor day for a turnout, the cold weather keeping many at home. However, a quorum was formed and the more important business was dealt with. Proceeds, bills and etc., from the social evening were discussed and settled, with some items concerning the same tabled. The bazaar committee is to be responsible for disposing of left over articles. An invitation from the Eastway Social Club to visit with them at the home of Mrs. Wyatt, December 5th was gratefully accepted.

A full report was given by the liaison officer for the W.P.T.B., Mrs. W. Oldfield, regarding recent communications to, and response from the W.P.T.B. It is felt that there may have been some misunderstanding at large regarding this communication and much regret was felt by the members, if such was the case. The letter written to the Board was purely for information, with certain illustrations given. The draft letter and reply are on file and are accessible to anyone wishing to see them.

Mrs. L. Richardson highlighted the bulletin on Legislation, by the director, Mrs. Schroweter, which was much enjoyed. The next meeting will be held at the home of Mrs. D. B. Smith, December 13th. After lunch was served the members enjoyed a social hour of bridge.

The moving picture, "The Valley of Tennessee" was much enjoyed by a fair turnout at Berrywater school, Tuesday, November 12th. And also was the very informative talk by Mr. Griffin.

It is regrettable to many that poor weather and road conditions have been responsible for putting off church services from Sunday to Sunday at the Berrywater school. Especially is this felt as so many gracious offers have been received from minister of the High River presbytery, to fill this point.

Owing to many of the district telephones being out of order the personal news has had to be omitted this week.

Weed Seeds Help Swim Pool Fund

That lowly by-product of harvesting operations—weed seeds—have given a boost to the Lions Memorial Swimming Pool Fund.

Bob McFadden, well known farmer of this district, this week brought in the weed seeds which accumulated during the fall harvesting and received from Mike Miller at the P.H.H. elevator a cheque for \$32.25, which he promptly signed over to the Lions as a donation towards the swimming pool fund.

The fund is still short of its objective and the Advocate would be pleased to hear of further donations of a similar nature.

Take Prizes at Stock Show

Farmers of the Vulcan district made a very good showing in various lamb events at the recent stock show in Calgary, taking some of the highest honors with their entries.

B. H. A. McDonald not only took several prizes with his flock but commanded the highest price in the show with his 1946 lamb ram, for which he received \$2.00 a pound.

Dave Lewis took top honors with his champion lamb of the show and also took first prize for the best pen of market lambs in the show. He received the high price of \$1.25 a pound from Safeways.

Entries from the Jerry Stener farm also took prizes in the lamb events.

ROBBER APOLOGIZES

When she screamed as a robber poked a gun into her back when she entered the bank at Nipawin, Sask., Miss Lorraine M. Menard, pictured here, a teller, received an apology from him for giving her a scare.

Gordon Clayton President of Re-organized Hockey Club

Younger Players Urged to Turn Expanded To Nine Teams Out for Practice; League This Season

At a recent re-organization meeting of the Vulcan hockey club, Gordon Clayton was elected president, Charles Fulton, vice-president, and Robert Willard, secretary-treasurer.

Gordon Cranston was named manager of the team and Ralph Johnston coach, with Howard Spaeth as equipment manager.

Enough experienced players are available to form the nucleus of a good hockey team, but it is the intention of team officials to encourage the younger players, 16 years of age and up, to participate in intermediate hockey and all available facilities for training are available to these younger players, who are urged to turn out at practice sessions. Announcement of the date of the first practice will be made as soon as the ice is ready.

Adequate equipment is available, and new uniforms have been purchased by the club, which holds a franchise in the Foothills Hockey League.

The Foothills Hockey League is now believed to be the largest intermediate league in Western Canada, with nine teams in the circuit this year.

Coleman and Blairmore are the new teams in the league, which also includes last year's clubs of High River, Claresholm, Nanton, Okotoks, Staveland, Macleod and Vulcan. It is planned to play a shorter league schedule this year to ensure having good ice at play-off time. President of the expanded loop is R. J. Doyle of Claresholm.

League schedule calls for one round of games for each club which will give all teams eight home games and the same number of away contests. Top six squads will qualify for the playoffs with the clubs being matched off in three pairs to play home-and-home total-point series. One of the three winning teams will receive a bye into the finals awaiting the winner of the other two to stage a best-of-three-game final.

Young Couple Wed At United Church

MARTIN—GRANT

A quiet wedding was solemnized at the Vulcan United Church on Sunday afternoon, November 17th, at 4 p.m., when Elizabeth Kyle, younger daughter of Mr. and Mrs. John Grant of Vulcan, became the bride of Mr. Robert J. Martin, only son of Mr. and Mrs. T. Martin of Minnionas, Manitoba. Rev. O. H. Rollis performed the ceremony.

Given in marriage by her father, the bride wore a pale, shell pink dress. Her shower bouquet was of white carnations and she wore a pearl necklace and earrings to match, a gift of the groom.

Miss Catherine Grant, who attended her sister, wore a pale blue dress with a corsage of delicate pink roses. Constable R. Knox of High River attended the groom as best man and the guests were ushered by Mr. Jack Price and Mr. Alec Grant.

Mrs. R. L. Elves played the wedding march and during the signing of the register Miss Jean Martin sang "Because."

A reception for thirty guests was held at the home of Mrs. D. Sutherland immediately following the ceremony. Receiving with the bridal party were Mrs. John Grant, mother of the bride, who chose for the occasion a purple ensemble and corsage of yellow carnations.

Mrs. E. Thomas, sister of the groom, also received the guests, and chose a dark purple ensemble with brown accessories. Her corsage was of pale pink roses.

The bride's table was centred with a three-tiered wedding cake and carnations. Rev. O. H. Rollis acted as master of ceremonies, while the toast to the bride was proposed by Mr. R. L. Elves and responded to by the groom.

For going away the bride chose a pale blue wool suit, with which she wore a white sheer blouse and black accessories. Her corsage was of yellow carnations. The young couple left by train the same night for a short honeymoon in Calgary.

Out-of-town guests were Mrs. R. Martin and Jean of Calgary; Mrs. E. Jensen, Edmonton; Mr. and Mrs. E. Thomas, Kenville, Manitoba; and Mr. and Mrs. William Grant of Armada.

Thigh Hill W.I. Elects Officers

The Thigh Hill W.I. met at the home of Mrs. Martin Gottenberg, Thursday, November 7th, with six members and one visitor present. Mrs. O. G. Roe, president, was in the chair and opened the meeting in the usual form, with the repeating of the Creed and salute to the Flag. Roll call was answered with first aid hints. Minutes of the previous meeting were read and approved. Election of officers for the coming year then took place, with the following results: President, Mrs. Earl Deal; vice-president, Mrs. M. Gottenberg; secretary-treasurer, Mrs. Roy Deal; sick committee, Mrs. Pete Lundgren. Mrs. Roe gave a brief outline of the duties of the officers.

Mrs. Roe and Mrs. Maitland, the retiring officers, were presented with A.W.I. pins. Mrs. Lundgren offered to collect the layette, which was the November project. Mrs. Roe was then presented with a birthday cake and gift, and the raffle was won by her.

The report on the bake sale and bazaar was then given by the secretary, which showed a most gratifying amount realized. After adjournment a delicious lunch was served by the hostess.

Wedding At Fort St. John

SEXSMITH—JENSEN

A quiet wedding took place at Fort St. John on Thursday evening, Oct. 24, when Doris May, oldest daughter of Mr. and Mrs. John Jensen of Parkland, became the bride of Llewellyn Mar Sexsmith, oldest son of Mr. and Mrs. L. M. Sexsmith of Coghlan, B.C.

The bride chose for her wedding a navy blue suit with a veiled pillbox hat in lighter blue and matching accessories. She wore a corsage of pink rosebuds.

Mr. and Mrs. K. E. Coleman of Fort St. John were the attendants. The ceremony was held at the home of Rev. Carson, who officiated.

A quiet wedding supper was served prior to a wedding dance which was held in the Red Cross hall. The bride and groom were the recipients of many lovely gifts, for which they amply expressed their thanks. The young couple will reside in Fort St. John during the winter.

Communists are expected to gain control of northern Greece political scene.

Hope Revive Cub Movement

A concerted effort is to be made to have the Cub movement revived in Vulcan. In this interest a meeting of the Group Committee, functioning at the time that the movement was abandoned four years ago, for need of a leader, was held last Wednesday evening. The meeting was also attended by Mr. T. Betton, district Scout commissioner, Mrs. T. Betton, assistant provincial commissioner, in charge of Cub Scouts, Mr. J. P. Hanson, Scout master and Mr. R. Golightly, all of High River; and Mr. Howard Nixon, Nanton, president of the Foothills District Council for Boy Scouts. They have all worked with Vulcan before and are anxious to see this town again filling its place as one of the most active centres in the Foothills district.

Funds and equipment are on hand to start up again and it has always been felt that the young

lads, between 8 and 12 especially, need the training that membership in the Cubs gives. It was decided not to attempt to form a Scout troupe at the present time as the boys in this age limit have so many other activities.

Another meeting will be held in the near future to determine if the undertaking is possible. In the meantime, anyone who has done any Scout or Cub work in the past and would consider assisting in this worthy undertaking now, or any one else kind enough to interest themselves please contact Mr. Chell, Mrs. Mensinger, Mrs. Sales or Mrs. Simington. In past years Vulcan has won many awards for outstanding Scout and Cub work. Can these again be accomplished and give the youngsters a good start in life by teaching them all the fine principles of the Cub laws.

Storm Brings Colder Weather

Sweeping down out of the north over the week-end, old man winter has taken a firm grip upon the countryside, with sub-zero temperatures, blocked roads and all the other unpleasant aspects of the winter season.

The highway between High River and Vulcan was still blocked on Tuesday, as was the road to Brant, with no milk delivery

being made on Tuesday. Bus schedules, which had just been resumed at the week-end after a lapse of two weeks, were again cancelled. The widespread storm also caused cancellation of most air line flights out of Calgary and Lethbridge.

Temperatures ranged as low as ten below zero and clothing stores report a rush on heavy winter clothing.

The sales will be subject to the following terms and conditions:

The Department reserves the right to withdraw any of the lands from sale or to include any other lands therein.

Lands sold shall be subject to reservation for existing surveyed roads, or roads hereafter surveyed, provided application for such roadway is made by the Provincial authorities prior to the issue of Patent. The areas of land sold are subject to adjustment in accordance with the revised plans of survey.

Purchasers of timbered lands must take out a permit subject to the usual dues and fees before cutting any timber except for their own use.

Sand or gravel must not be removed from the lands sold until a permit has been obtained from the proper authorities and payment made of the required fee and dues.

The sales will only convey the surface rights of the land and will be subject to the usual reservations in favour of the Crown.

The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at the date of sale and the purchaser shall not at any time, prior to the date of completion of payments, remove, or caused to be removed from the land any of the said improvements, without the consent of the Minister of Lands and Mines being first obtained.

Terms of Payment. One-tenth of the purchase price shall be paid in cash at the time of sale and the balance of such purchase price shall be paid in eighteen equal, successive annual instalments, with interest at the rate of 4 per cent per annum, which interest shall be paid with each instalment on the balance thereof from time to time remaining unpaid. Any instalment not paid when due will be subject to interest at the rate of five per cent per annum.

On areas of forty acres, or less: One-fifth of the purchase price shall be paid in cash at the time of sale and the balance of such purchase price shall be paid in four equal, successive annual instalments, with interest at the rate of 4 per cent per annum, which interest shall be paid with each instalment on the balance thereof from time to time remaining unpaid. Any instalment not paid when due will be subject to interest at the rate of five per cent per annum.

Upon a parcel of land being knocked down, the purchaser shall immediately pay the Clerk of Sale the amount of the first instalment; otherwise the parcel will at once be put up again.

Payment may be made in cash, or by marked cheque on any chartered Bank of Canada, payable at par at the place of sale, or by guaranteed non-negotiable transfer vouchers, certified non-negotiable transfer vouchers or certified cheques.

Cheques, non-negotiable transfer vouchers or order cheques will not be taken in payment unless made accepted by the Bank of Credit House or which they are drawn.

Further particulars may be obtained by communicating direct with the Director of Lands, Department of Lands and Mines, Edmonton.

Lists giving full particulars of the lands to be offered may be had on application to the Director of Lands, Edmonton.

By Order,

Output Down Revenue Holds

Although crude oil production in Alberta has fallen off 15 percent in the last year, the industry still has a monthly revenue in excess of one million dollars, it is revealed by the August report of the Petroleum and Natural Gas Conservation Board. Production in August was 542,607 barrels compared with 641,036 barrels in the previous August, and value of sales was \$1,091,505 compared with \$1,031,492. The price was increased on Jan. 1 last, accounting for the greater returns from smaller production.

Including sales of natural gasoline, the industry received \$37,418 daily during August from oil production.

More From Valley
Almost all of this came from Turner Valley. For the last two or three years the industry has been spending about \$1,000,000 a month on exploration outside of Turner Valley.

For the second successive month Taber was the leading producer outside of Turner Valley. It yielded 18,339 barrels to 17,559 for Conrad, 14,172 for Vermilion, 6,541 for Princess, 5,926 for Lloydminster and 1,233 for Wainwright.

Lloydminster production figure is from the Alberta side of the border. In the same month the Saskatchewan side gave up 7,370 barrels. In September, according to other computations, the Alberta side produced 9,717 barrels and the Saskatchewan side 21,150 barrels. —Calgary Albertan.

HAVE YOU ANY RUPEES IN YOUR PURSE?

Mrs. Blair has been talking for months about buying a real Indian shawl. But wouldn't she be surprised if she found it priced in rupees! That it isn't, is due in large measure to the services rendered by your bank.

When you buy imported goods in Canadian stores, you pay in Canadian dollars—but the people who made them were paid in Indian rupees, British pounds, French francs . . .

It is the same in reverse with exports. You may be one of the three out of every eight Canadians who make their living through goods sold abroad. If so, you receive your wages in dollars, but your products are sold in all sorts of foreign currencies.

Arranging the complicated exchange and transfer of foreign funds in such transactions is but one of your bank's many services enabling Canadians to buy and sell abroad.

Alta-Montana Water Boundary

Wilfred Eggleston in a special to the Lethbridge Herald says South Alberta rivers enter into matters of international concern. An important investigation into the boundary waters between the Canadian prairies and the states adjoining them to the south is said here to be likely in the early future. The inquiry would be made by the International Joint

Commission, it is expected, and the results would be far-reaching so far as the future of irrigation in Alberta, Montana and other areas is concerned.

The discussions between the U. S. state department and the department of external affairs are still in a highly confidential stage.

One of the points which it is expected will be examined will be the possibility of enlarging the storage facilities in Alberta for waters of the Belly and Waterton rivers. The scheme now going forward financed solely by Canadian capital is said not to store more than about two-thirds of the water which is actually available.

From Helena, Montana, a recent dispatch stated that the American department of the interior was working on a plan by which a portion of the water which flows across the boundary into Alberta might be stored in Alberta for the benefit of U.S. users, either by actual diversion or by trading for other waters which could be made available along the Milk or elsewhere. U.S. money would aid in the construction of the joint reservoir.

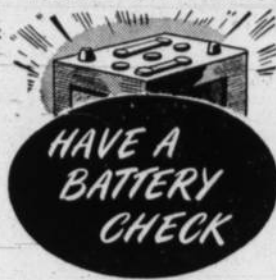

Without some agreement between the two countries, it is said to be quite impracticable for the United States to utilize any of the waters of the Belly and Waterton river, which rise in U.S. territory and flow into Canada.

The very existence of a number of established irrigation projects on both sides of the international boundary is tied up with the fair allocation of these waters. But both countries are increasingly anxious to exploit all the available water and it may prove to be impossible to do this unless there is the most complete and flexible co-operation between the two countries.

LATEST NEWS ABOUT GENERAL MOTORS DELIVERIES

Everybody from factory to dealer is doing everything that can be done to speed deliveries to you

Because of the continued and unavoidable shortages of various materials, production of new cars and trucks has remained behind our expectations. As a result, shipments of new cars and trucks to dealers for delivery are still far below the level we and the factory had hoped to attain by this time.

We know that General Motors is doing everything possible to step up its production totals — to ship more and more cars and trucks to us and to its hundreds of other dealers throughout Canada... and we know, too, that we are assured of getting our full proportionate share of the current and future output.

Of this you may be sure: We shall continue to make deliveries

of cars and trucks to our customers as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you do take delivery of your new General Motors car or truck.

Keep Your Present Car or Truck Running
 Meanwhile, may we suggest that you safeguard your transportation by bringing your car or truck to us for service now and at regular intervals. Let us help you to keep it in good running condition—to maintain its performance, appearance and resale value—until the day when your new General Motors car or truck comes along.

Public Notice

The Town of Vulcan

TAKE NOTICE that the Council of the Town of Vulcan under authority of PART VIII of the Town and Village Act, R.S.A., 1942, hereby propose to undertake the construction of the Sewer Project described in Schedule "A" attached.

FURTHER take notice that the total annual amount to be assessed, by way of Special Frontage Assessment, against the several parcels of land abutting on or benefitting by the said Sewer Lines shall be \$1,734 per front foot.

FURTHER take notice that the annual revenue required to amortize the said Special Frontage Assessment of \$1,734 per front foot in thirty years at Four (4%) per cent interest shall be raised by an annual Special Assessment Tax of Ten (10) cents per front foot on all lands abutting on or benefitting by the said Sewer Project.

FURTHER take notice that unless the majority of owners of the lands that may be assessed therefor, representing at least one-half in value thereof as aforesaid, petition the Council against the Local Improvement within two weeks after the last publication of this notice, the Local Improvement may be undertaken and the cost thereof assessed by the system of assessment referred to herein.

Further take notice that the estimated total cost of the proposed Local Improvement is \$39,400.00, to be repaid, in annual instalments, with interest at a rate not to exceed Four (4%) per cent, over the lifetime of the proposed Utility, estimated at thirty years, which sum shall be raised by the issue of debentures on the credit of the Town at large, but the said sum shall be assessed against the value of the land abutting thereon under authority of Bylaw No. 189 and PART VIII of the Town and Village Act, and in accordance with the system of Special Frontage Assessment herein described.

AND FURTHER take notice that the owner of any of the lands so specially assessed may at any time commute the amount or balance remaining unpaid in respect thereof by paying the amount of the original assessment charged against the land, together with interest and penalties chargeable in respect thereof less any amounts previously paid on account thereof, as provided for in Section 280 of the Town and Village Act.

The Brooks Bulletin sees two im-
portant benefits to cattlemen in
patronizing the Community Cattle
sale. The producers are paid Cal-
gary prices at home with expense
of transportation to the city mar-
ket. Then they benefit through
competitive bidding of many buy-
ers.

Plywood Product Goes to Britain

An Ontario factory in Colling-
wood, the Globe Plywood Products
has contracted to sell furniture to
the British market. This furniture
is of the knockdown type and is an
innovation for Canadian manufac-
turer. The company has signed up
for 15,000 three-piece bedrooms,
and the total orders may run to
150,000 suites in bedroom, living
room and dining room furniture.
These are for bombed out homes.
The parts are being shipped un-
finished and without mirrors. They
are assembled and completed in
Britain. A bedroom suite of van-
ity, chest of drawers and wardrobe
(on bed) costs about 50 pounds a
suite when completed.

The furniture is made chiefly
of resin-bonded plywood, with hard
wood drawer sides and supports.
The plywood is used because of
lightweight strength, resistance to
moisture, ease of processing, etc.
Birch, maple and poplar from
Muskoka are most commonly used,
and spruce-birch veneer is got in
Quebec and Ontario. It is specially
prepared to prevent warping in the
damp British climate.—Financial
Post.

SELL BOWDEN AIRPORT

The town council of Innisfail are
considering the purchase of the
Bowden Airport which is available
for a rental of a dollar a year,
plus maintenance of insurance at
25 per cent of its value. The Board
of Trade feels that the hay from
the airport alone will pay these
carrying charges, and that the pos-
sibility of a good deal of air traffic
coming to Innisfail in the future is
extremely good.

BANKING IN ACTION

RETAILERS make constant use
of banking services. In some
cases these are simple but essential;
the bank takes cash receipts on
deposit, makes change, operates cur-
rent accounts, and accepts and
records used ration coupons. Other
retail accounts involve considerable
handling of drafts, and—a very
important service—the making of
loans to enable retailers to take
advantage of trade discounts. All
this entails Banking in Action.

The Canadian Bank of Commerce
has among its customers many
retail houses, from the small corner
store to the large chain and depart-
ment store. Strict attention to their
particular needs is given to all the
Bank's customers.

Use our services for your banking
requirements, whatever they may
be. Consult our local Manager.

Brief Items of Local Interest

Mr. J. T. Willard was a business
visitor to Edmonton last week.

Mrs. W. E. Woodward of Cal-
gary is a guest at the home of her
daughter, Mrs. M. D. McIntyre.

Mrs. T. E. Mutz of Vancouver,
B.C., accompanied by her mother,
Mrs. Dunham, was a visitor at the
C. Dunham home for a few days
last week, and renewed acquaint-
ances in the district. Later they
both left for Craigville, where
Mrs. Dunham will remain with an-
other daughter for some time.

Mr. J. M. Hill left on Saturday
for a short visit with his mother
at London, Ont. Mrs. Hill, Sr., is
well past her 90th year but still
well and active.

Mrs. Goodman of Ponoka, presi-
dent of the Rebekah Assembly, and
Mrs. Paget of Bellevue, vice-presi-
dent, were guests recently at the
home of Mrs. Pete Bowie. During
their stay, Mrs. Bowie accompan-
ied them on an official visit to
Roseleaf Rebekah Lodge at Milo.

Mrs. C. R. Robson of Calgary is
spending a few days with her hus-
band here.

Mr. and Mrs. T. Houlton, accom-
panied by Bill Houlton, were re-
cent Calgary visitors.

Mrs. Earl Erickson was a week-
end visitor to Calgary.

Miss Flossie Smith of Vancou-
ver is visiting relatives in the Reid
Hill district. At present he is the
guest of her sister, Mrs. W. E.
Myers.

Mr. Jack Marshall left last week
for Los Angeles. He will visit rela-
tives there and at Portland and
on his return trip will visit his
daughter, Carol, and her husband
in Vancouver. Mr. Marshall, who
expects to be away about a month,
will also visit at the homes of his
sons, Bob and Allan, at Trail, B.C.

Mrs. W. A. Schenck leaves this
week to reside at Vancouver.

Mr. W. C. Henderson of Delo-
rairie, Manitoba, is visiting with
Mrs. Henderson and Mr. and Mrs.
G. K. Perry.

A recent addition to the post of-
fice staff is Mr. Sam Street of Cal-
gary.

Extensive alterations and re-
pairs are being made to the curling
rink premises.

The Vulcan Lions Club will hold
its annual charter night banquet
and dance in the I.O.O.F. hall on
Thursday, Nov. 26th. This is the
Lions 2nd anniversary of the
founding of the local club.

A carload of members of the
local Lions Club motored to Cham-
pion Tuesday evening last to at-
tend the newly organized club's
first meeting and were highly
pleased with the enthusiasm shown
by the Champion members. The
Vulcan Club are sponsoring the
neighboring club and wish them
success in all undertakings.

Mr. M. D. McIntyre was a busi-
ness visitor to Calgary the first of
the week.

The current issue of the Country
Guide carries a picture of Vulcan's
"Elevator Row" accompanying a
tax article.

Honoring Mrs. Edith Dawson,
whose marriage takes place short-
ly, Mrs. C. MacMillan and Mrs. P.
Bowie entertained ten close friends
at a social evening, Wednesday
last. During the evening Mrs. Mc-
Millan, on behalf of those assem-
bled, presented Mrs. Dawson with
two lovely and useful gifts for her
new home. The guest of honor ex-
pressed her appreciation most
suitably. A dainty lunch was ser-
ved, bringing to a happy conclusion
a most pleasant occasion.

In honor of Mrs. W. A. Schenck,
who will leave shortly to reside at
Vancouver, B.C., Mrs. A. McIvor
and Mrs. L. J. Hollister entertain-
ed at tea, Wednesday last. Mrs. F.
M. Anderson presided at the tea
table, which was centred with
mauve and white 'mums.

The most recent of the many
changes in property in Vulcan is
the sale of the R. L. Elves home
to Mr. John Jamison. The Elves
family will make their home in
Calgary after the New Year.

It is anticipated that a number
of members of the local Lions Club
will journey to Nanton on Thurs-
day to assist with the organiza-
tion and installation of officers in
the newly formed Club there, which
they are sponsoring. On Sunday,
five members motored to Strath-
more to take part in the zone meet-
ing.

There will be a meet-
ing of the Vulcan Ladies
Curling Club in Miss
Marshall's Dress Shop,
Friday at 7:30 p.m. All
curlers or prospective
curlers are asked to at-
tend.
